

## **PLACES | STORIES | GUIDES | EVENTS**

Looking for a travel companion? Enjoy the company of Root Tulsa. Serving as your personal tour guide, Root Tulsa is an app that takes you through the streets of Tulsa while highlighting local hot spots, destinations of interest and historical landmarks. Search restaurant listings for a place to dine and unwind, read stories about the city's rich oil history, follow a tour of downtown's art deco district, or scroll the events in search of something to do. It's all right there in a format convenient to you.

The Root Tulsa app is **free** and available now. Download Root Tulsa from the App Store or open your preferred mobile browser (Chrome, Firefox, Safari, etc.) and go to [RootTulsa.com](https://RootTulsa.com).

Enjoy using Tulsa's urban field guide and see where Root can take you!
