### USAEE Case Competition Schedule

- August 15 - Registration closes
- August 18 - Case competition packets distributed to teams
- September 18 - Written reports from teams due back to USAEE
- October 2 - Finalist teams will be notified and invited to present at a virtual event
- Mid-October - Finalist teams will present their work at a virtual event

### USAEE Case Competition Rules

- All team members invited to present must be an undergraduate or graduate student, or within two years of graduation, as of August 15, 2025.
- Teams must be between 2 and 5 participants. Additional participants may be added after the initial registration, but not to exceed 5 participants in total.
- A panel of judges will read the submitted reports and choose finalist teams to present their work at the virtual event.
- At the virtual event, each of the finalist teams will present their case competition solution. The panel of judges will determine the order of the finalist teams based on the contents of the presentations.
- The prizes will be \$3,500 for the first-place team and \$2,500 for the second-place team.
- More detailed instructions will be provided with the case competition materials.
